Lesson 4

Dear Parents,

Hello again! This week was the last lesson of our series on the Trinity. The lesson was entitled "The Spirit Alive and at Work." The point of the lesson was that our students would understand that the Holy Spirit is with every Believer, guiding them in their day-to-day interactions with the world. We challenged students to define what it means to "walk by the Spirit," committing to being mindful of walking by the Spirit and not by the flesh.

We looked at the following Scripture passages:

- Galatians 5:16-18
- Ephesians 5:15-21

If you have time this week, read these passages to be reminded of the call to walk by the Spirit's guiding.

Next Steps . . .

During the next week as you have time to talk with your child, consider asking the following questions:

- OK, by now you're pretty familiar with the Trinity. I'm going to define it, and you tell me if I'm on track or not.
- Can you explain the role of the Holy Spirit as you guys discussed it this week?
- Practically speaking, how does living according to the guidance of the Holy Spirit work? What does that look like in your life?
- What can we do as a family to be more aware of what the Holy Spirit is leading us to focus on? How can we work together to be more in tune to God's leading?

As always, don't ever hesitate to call me if you need anything. It's a real privilege to partner with you in leading your teenager closer to Christ.
